

So, You Think You Know Your Pro Basketball?

Play STRAT-O-MATIC, The Pro Basketball Game That Really Works!

Easy to play, real thrilling-exciting basketball with STRAT-O-MATIC. Pro Basketball players perform according to their actual abilities and your coaching decisions.

You, the coach call all strategy moves for Pro Basketball teams. Do you bench your six foot five inch forward whose had a hot hand for that six foot nine inch forward to add board strength? Your guard on a switch is picked up by the opposing center—Do you drive to the basket or shoot from the outside? Do you doubleteam your opponent's leading scorer and risk an open shot by one of his teammates? Do you allow your huge center to move from his "clogging the middle position" to challenge his opponent's outside shooting success? All these decisions and many more are yours to ponder in STRAT-O-MATIC PRO BASKETBALL. You have real control over Pro Basketball players who actually shoot, pass, rebound and play defense according to their basketball abilities. Both the stars and second stringers will perform realistically for you.

Each player's strengths and weaknesses are measured in STRAT-O-MATIC. For example, a center who has a high

fieldgoal percentage, shoots infrequently and is an extremely poor outside shooter will perform similarly in STRAT-O-MATIC. A guard who is a constant threat to score on an outside shot or a drive, is a fantastic passer and a poor defensive player will function exactly the same way in STRAT-O-MATIC.

2 GAMES IN ONE!

Coaching, individual player abilities and team concept are all blended into one electrifying creation—STRAT-O-MATIC ADVANCED BASKETBALL. BUT IF YOU PREFER A MUCH SIMPLER GAME WITH JUST PLAYER ABILITIES INVOLVED AND A MINIMAL AMOUNT OF STRATEGY—our basic version is for you. There is no need to purchase either version separately as all game parts and instructions for both versions are included in our famous basketball game.

The above are just some of STRAT-O-MATIC's highlights. For the entire story, mail coupon for a colorful FREE brochure containing full detailed information and FREE STRAT-O-MATIC samples. Don't Delay. Write Today!
